

20th Anniversary

Autumn Leaves Scenic Tour 2023

It's back the news you have been waiting for the multi day event to celebrate the 20th Autumn Leaves Scenic Tour, bringing you not one but three days of beautiful scenery, fantastic food & drink, and even better company! Featuring as part of the **HRCR Scenic Tour Series** this event will be held on the 27th, 28th, and 29th October 2023.

Blow away those post summer blues to enjoy a luxury weekend of touring from a four-star hotel situated in mid Wales. You will be staying in the comfort of the newly refurbished Metropole Hotel Llandrindod Wells established in 1897 with a reputation for fine dining and home to many motoring events

Your weekend will start with a documentation on Thursday evening, briefing Friday followed by the first day's tour returning for evening meal. After a good night's sleep and a hearty full Welsh breakfast, the second day of the tour will be split into three sections including refreshment breaks at places of interest before returning to the Metropole for a Gala evening meal. Having enjoyed another night here and a good breakfast the tour will continue on Sunday with one refreshment halt before a celebratory 3 course end of event meal back in Llandrindod Wells.

This three-day tour will take you through stunning scenery glistening with autumn colours, rugged Welsh Hills, and majestic places on some of the best roads mid Wales has to offer. Many of which were used in the 70's for those memorable Motoring News Road Rally Championship rounds. As you wind your way around mid wales your hardest choice will be picking your favourite view.

Your entry fee will include all food and accommodation during this weekend along with a full colour detailed road book, a commemorative car identification plate and a finishers award. So, what's not to like so come and join us on a Welsh Adventure!

For those of you who may want to spend a fourth night we have negotiated a very favourable rate for B&B. Full details can be found in regulations
